### Non-Martial Arts Achievements

We are always looking for non-martial arts achievements made by our students. These can be an educational or sports award, good citizenship award, award from some branch of the Scouts or Royal Rangers, a job-related promotion, etc.

If you would like to have a student's accomplishment included in our Center's website and newsletter, please complete the following and either return into the Pro Shop, or email it to [drlen@fitchburgkarate.com](mailto:drlen@fitchburgkarate.com). Please feel free to include a picture of the student holding the award. Or, if you'd prefer, bring the award to the Center and we will take the picture for you.
